

Fulltime, Mechanical Shop Supervisor

A high-volume, successful Wholesale Auto Auction near you is looking to add a new member to our continuously growing team!

We are seeking a motivated Mechanical Shop Supervisor. Must be proactive and have a team building attitude. This position is a working manager and will be responsible for all operational aspects of the shop, open to close.

This position requires a high school diploma or equivalent, significant auto repair experience and knowledge and the ability to promote the shop and its services through exceptional customer interactions.

The successful candidate will have:

- Auto repair experience
 - Tire repair and change
 - Brakes
 - Alignment
 - A/C Repair
 - Emissions
 - General Automotive Repair and Tune Up
- Managerial/supervisory experience
- Willingness to hustle, roll up sleeves and get stuff done.
- Organization in methods, procedures, tools and workspace
- Strong communication skills - written and verbal.
- High level of attention to detail with strong organizational skills
- Ability to solve problems and identify successful outcomes
- Positive attitude with a customer first mindset.
- Ability to troubleshoot and resolve end-user issues and/or escalate issues appropriately.
- Maintain a professional, calm manner when negotiating with difficult or upset customers.
- Maintain a high level of confidentiality.
- Sound judgment when faced with complex circumstances and attention to detail is necessary.
